

FAIRMOUNT NEIGHBORS ASSOCIATION

General Meeting – April 17, 2024, 7pm at Edison School

Attendance: 24 Fairmount Neighbors (including 7 board members)

Fairmount Neighbors held a joint meeting with South University Neighborhood Association at Edison Elementary School. This was the first joint meeting since the pandemic and was meant to strengthen relationships among the Boards and community broadly. Tables from various community groups were at the meeting and two speakers provided presentations to the group, Sierra Anderson, Program Manager for City of Eugene Emergency Management and Marin Aurand, Interim Director of the Lane County Historical Museum. It is the understanding of both boards that we will find opportunities for joint meetings in the future.
